

# NETHERLANDS

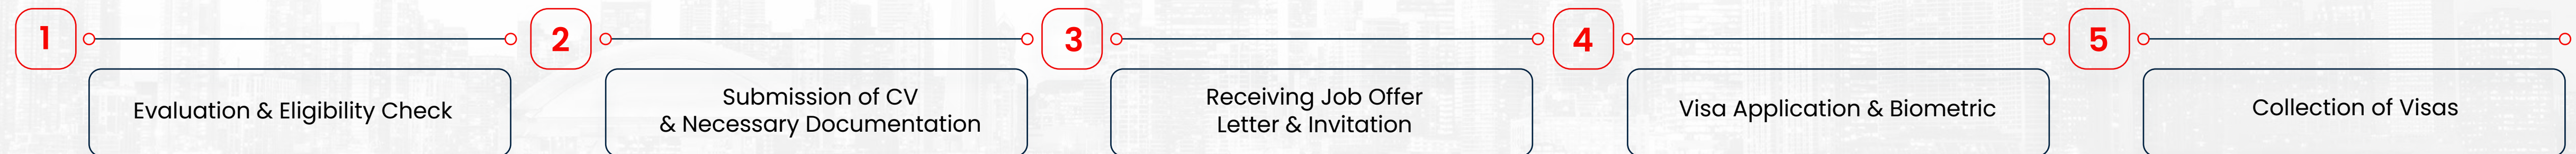

## EMPLOYMENT ASSISTANCE PROGRAM

### DESCRIPTION

If you're a foreign citizen seeking employment in the Netherlands, you'll need a work visa, which is essentially a residence permit. In some cases, you may also need to obtain a separate work permit. However, it's worth noting that not everyone requires a visa or residence permit to enter and reside in the Netherlands.

### PROCESS

**TIMELINE:**  
04-06 months

### DOCUMENTS REQUIRED:

- Updated CV
- Application form
- A valid passport or other travel document
- A clear criminal records
- Proof that the application information is true CV
- Medical test
- Sufficient income earning
- The employer being recognized by the Netherlands' government officials

\*Additional documentation may be required based on individual circumstances.
