

POLAND

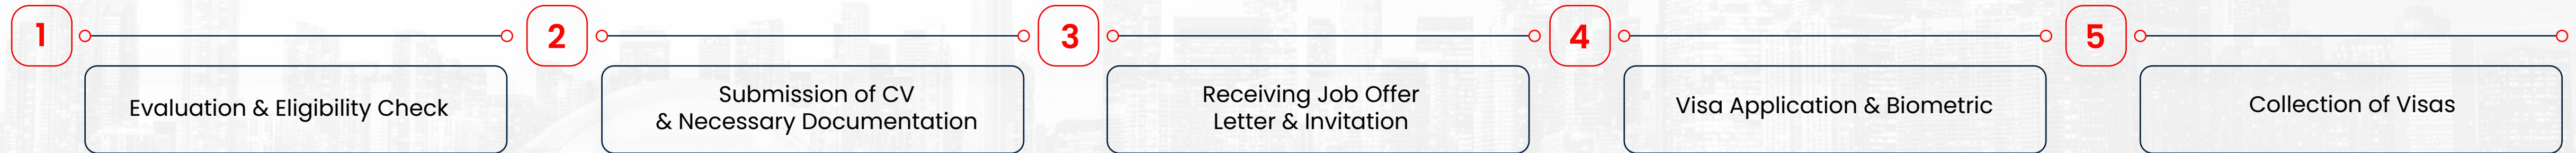

WORK PERMIT

DESCRIPTION

To live and work in Poland long-term, you can apply for a Poland single permit work visa. To be eligible for this permit, you must have a job offer from a Polish employer. The application for a single permit must be submitted in Poland, but if you're not yet in the country, your employer can apply on your behalf. The processing time for a single permit typically takes two to three months.

PROCESS

 **TIMELINE:**
04-06 months
